Columbia College Chicago, BFA

Advertising Art Direction, 2013

College Of DuPage

Emphasis in Graphic Design, 2010

WHAT THEY'RE SAYING ABOUT ME

"James is absolutely vital to the functionality of our team and his presence increases team moral amongst everyone he comes in contact with. Prior to James joining Compass, we experienced a fragmented relationship between marketing and design."

"Accomplishes projects within a smaller time frame...not only does this further allow for trust amongst the agent facing marketing team with design, but provides deep rooted trust amongst our agent base."
